

Greetings from MRPL!

As you may be aware that Government of India has set up TReDS mechanism for the benefit of MSME vendors.

TReDS is an electronic institutional mechanism for facilitating the financing of trade receivables of MSMEs through multiple financiers.

Three platforms have been set up for implementation namely M1 Exchange , RXIL and ATReDS, and. The participants of TReDS are Buyer (MRPL), Seller (Vendors), Exchange, Financiers.

We are happy to inform you that MRPL has registered in all three exchanges and invite you to register in any of the above exchanges.

As per Government guidelines, all MSMEs should register themselves on the TReDS portal.

Detailed information is available in the respective exchange websites. Link for TReDS platform and contact details as below;
