A Govt. of India Enterprise and ONGC Subsidiary, Kuthethur P.O, Mangaluru - 575030.

MRPL Clarification to the Public at Large

MRPL is a responsible Government of India undertaking. Every aspect of the functioning of MRPL is in accordance with all statutory rules and regulations. Our Company is committed to sustainable operation of the Refinery complex and will take all possible efforts to ensure environment management is exceeding the stipulated compliance requirements.

MRPL has, among others, continuous monitoring systems for measuring environmental parameters. Statutory authorities also undertake necessary checks to monitor the pollution levels. M/s National Environmental Engineering & Research Institute (NEERI), Nagpur, a government of India Undertaking, has also carried out grid analysis for determining pollution levels in Air and Water in the year 2016 and 2018 covering 10 Kilometers radius. The studies by NEERI have proved that there is no industrial pollution. Further, it may be noted that MRPL has complied to Government of Karnataka order Dated 20th April 2016 by implementing all measures as directed.

In accordance with the directions from Government of Karnataka dated 20th April 2016, MRPL is also committed to acquire 27 Acres land. Multiple discussions have been held involving all stake holders by District authorities on the modalities. Suitable directions from district authorities is awaited for MRPL to initiate further action on this matter.

As far as MRPL recruitment process is concerned, like any other Central Public Sector Enterprise it is guided by applicable Government recruitment policies.
