

MRPL signs MoU with Indian Air Force

An agreement was signed between MRPL and the Indian Air Force to supply sustainable aviation fuel (Bio-ATF) to this wing of nation's armed services. This event was held during the ongoing Aero Expo 2023; an MOU was signed between the top brass of Indian Air Force and Shri M Venkatesh, Managing Director. MRPL has now become the first Indian Hydrocarbon Refinery to sign an MOU to provide Bio-ATF to the Indian Air Force.

During the function attended by Hon'ble Defence Minister Shri Rajnath Singh, Chief of Indian Air Force, Chief of Indian Army, and other senior Indian Air Force officials, a Memorandum of Understanding in this regard was exchanged by MD, MRPL and Air Vice Marshal S. K. Jain. Shri Sunil Kumar, Joint Secretary-Exploration and Bio-ATF Refinery, MoPNG was also present.

It is a proud moment for MRPL to become the first Indian Refinery to serve the sustainable energy needs of our armed forces, while assisting the visionary aspirations and commitments of the nation to move towards a sustainable future.
